

Clarification (1)

Project Name:	Provision of Medical Insurance Services for Enabel's staff in Palestine
Reference:	2275PSE-10024

Please find below information related to the number of families and average ages of staff and families to be covered by the insurance:

- *Number of Families: 40*
- *Number of children per family: Average of Three Children*
- *The Average Age of Children (<18): 10 years old*
- *The Average Age of Adults (>18): 36 years old*
- *Overall ages average: 23 years*

Numbers are based on presumed quantities and are subject to change based on new recruitments and/or resignations.
