Contract title: Framework contract organisational assessment of Grantees

Reference: 28341TZA-10028

| N° | Issue / question raised | Response |
|----|---|--|
| 1. | Section 5.2 on ‘objective and scope of organizational assessment’ it indicates that ‘This assignment aims at providing support to Enabel in Mozambique to conduct organizational assessments by an independent experienced third-party entity.’ | The organizations to be assessed will be in Tanzania and not Mozambique. |
| 2. | Section 3.5.2 under Team leader qualifications it has been indicated that one of the requirements is ‘Excellent communication skills in English and Portuguese and proven ability to produce high quality documents (in English).’ | Only knowledge in English language is a requirement for this assignment. |
| 3. | Section 3.5.2 on selection criteria, item number 3 on proposed team to tender the contract it is indicated ‘Support team of 2 experts – auditors.’ | Auditors means professionals with experience in undertaking organizational and internal controls assessments who have met the qualifications and experience indicated in section 3.5.2 of the bid. |
| 4. | Section 6.4 on Selection file, item number 2 (proposed team to tender the contract) has indicated experience required in the consultancy team including specific thematic experience whereas section 3.5.2 on selection criteria item number 3 (proposed team to tender the contract) another set of team qualification is provided. | Section 6.4 selection file should be removed, and selection criteria should be that of 3.5.2 to avoid contradiction. |
