

ADDENDUM N°1 to the TD for “Public works contract for Access to water supply for WASH Facilities and Dormitories” – TZA22003-10234.

With reference to the above-mentioned tender which was launched on 31st July 2025.

Following input and improvements received regarding the tender documents, we hereby amend the above-mentioned tender document as follows:

1. Amendment – Technical Offer**Amends:** Section 5.5

The original clause stated:

The contractual completion period is fixed at 180 calendar days for each Lot. However, tenderers are invited to propose a technically and economically viable reduced completion period, where feasible, without compromising the quality and scope of the works. Such proposals will be considered as added value but shall not influence the technical scoring.

Tenderers shall attach a detailed and logical work program (Gantt chart or equivalent), clearly indicating the sequence and duration of all activities in line with the proposed reduced timeframe. The Gantt chart must present a breakdown of activities in sufficient detail, avoiding broad or generalized headings, to allow for proper assessment of the construction sequence and resource allocation.

This is hereby amended as follows:

The contractual completion period is fixed at 180 calendar days for each Lot. However, tenderers are invited to propose a technically and economically viable reduced completion period, where feasible, without compromising the quality and scope of the works.

Tenderers shall attach a detailed and logical work program (Gantt chart or equivalent), clearly indicating the sequence and duration of all activities in line with the proposed reduced timeframe. The Gantt chart must present a breakdown of activities in sufficient detail, avoiding broad or generalized headings, to allow for proper assessment of the construction sequence and resource allocation.

2. Amendment – References**Amends:** section 5.8 and section 6.7

The original clause stated:

Bidders must demonstrate experience in at least three (3) similar water supply projects, (borehole drilling or water distribution/connection) completed between 2020 and 2025. The tenderer must include in their offer a list of two (2) references for similar works related to borehole drilling, including water treatment. The tenderer must also demonstrate their capability to conduct groundwater surveys and install solar panels and solar water pumps. At least one of

the references should reflect experience in water distribution and connection works

For each submitted project, the bidder must provide at least one completion certificate or client reference letter showing the contract value, project location and project details.

Each of the referenced projects must have a minimum contract value as follows:

- Lot 1: Minimum € 60,000 per project (EXCL. VAT). Hence, the cumulative minimum cumulative amount for all three referenced project is € 180,000
- Lot 2: Minimum € 50,000 per project (EXCL. VAT). Hence, the cumulative minimum cumulative amount for all three referenced project is € 150,000

This is hereby amended as follows:

Bidders must demonstrate relevant experience by providing references for at least three (3) similar water supply projects (borehole drilling or water distribution/connection) completed between 2020 and 2025. The tenderer must also demonstrate their capability to conduct groundwater surveys and install solar panels and solar water pumps.

For each submitted project, the bidder must provide at least one completion certificate or client reference letter showing the contract value, project location and project details.

Each of the referenced projects must have a minimum contract value as follows:

- Lot 1: Minimum € 60,000 per project. Hence, the cumulative minimum cumulative amount for all three referenced project is € 180,000
- Lot 2: Minimum € 50,000 per project. Hence, the cumulative minimum cumulative amount for all three referenced project is € 150,000

3. Amendment – Documents to be submitted – exhaustive list

Amends: section 6.11

The original clause stated:

1. 6.1 Legal Identification form
2. 6.2 Financial Identification
3. 6.3 Tender form - Prices
4. 6.4 Price schedule (BOQ)
