10118

Framework public services contract for the “Technical
Support in Solid Waste Management Sector”

Country: Mozambique

Corrigendum

29/05/2026

Corrigendum

Section 3.4.4 “Method and deadline for submitting offers” last paragraph currently reading as follows:

“Only offers received within the deadline will be considered, therefore it is the tenderer’s responsibility to ensure that the offers are sent in due time.”

is modified and shall be read as follows:

“Only offers received within the deadline will be considered, therefore it is the tenderer’s responsibility to ensure that the offers are sent in due time.

Submissions may be prepared and transmitted through authorised representatives or local partners; however, the tenderer remains fully responsible for the content and timely submission of the offer.”

Section 3.4.7.1 “Regularity” 4th paragraph, 4th bullet currently reading as follows:

*“4^o tenders that do not bear **an original handwritten** signature on the tender form.”*

is modified and shall be read as follows:

*“4^o tenders that do not bear **an original signature (original or scanned copy), either handwritten or electronic**, on the tender form.”*

Section 6.5 “Integrity statement for the tenderers” 5th paragraph, currently reading as follows:

*“Signature preceded by ‘read and approved’, **in writing**, and indication of name and function of the person signing.”*

is modified and shall be read as follows:

*“Signature **in writing or electronically**, and indication of name and function of the person signing.”*

All other provisions of the tender documents Enabel Mozambique ref. MOZ22005-10118 remain unchanged.
