1.	You mentioned masters in a relevant field and you sighted examples of relevant fields that were abit limited, can you consider other relevant fields like Engineering but in different occupations, IT among others.	<p>The qualification requirements for the Team Leader, as stipulated in the tender document, remain unchanged. The required academic qualifications and fields of study were established based on the specific technical requirements, scope, and objectives of the assignment.</p> <p>Accordingly, only qualifications that meet the requirements expressly stated in the tender document will be considered during the evaluation process. Fields not specified as relevant under the stated requirements, including Engineering, Information Technology, and other unrelated disciplines, will not be considered as meeting the minimum qualification criteria for the Team Leader position.</p> <p>Tenderers are therefore advised to prepare their proposals in strict accordance with the requirements set out in the tender document.</p>
2.	In the RFQ , the lots have multiple training areas of focus such as ;on Bakery and Pastry Production, Horticulture-Vegetable Production (tomatoes, leafy greens, etc.), Poultry, Coffee barista, Climate-smart agriculture, and Crafts (bead making and bags), Liquid/Bar Soap	A bidder is expected to submit an offer covering all the training areas specified within the Lot for which they are bidding. Partial bids covering only selected training areas within a Lot will not be considered responsive.

	<p>making training, Apiary/Honey Processing , and Videography/Photography Training.</p> <p>We seek clarification if a bidder "MUST" apply for all the training areas of focus within a LOT or is it acceptable to pick out a few training areas such as Bakery and Pastry Production, Poultry, Coffee barista under a given LOT.</p>
