N°	Issue / question raised	Response
1.	For item 7 (Steel storage medical locker), how many lockers per unit should be considered? Additionally, the description of the locker has two height measurements of 2400 mm and 600mm. Which dimension should be considered?	There are nine lockable units per the storage locker. The overall dimension for the unit is 2400(H)x 2,400(W)x 450mm(D) and for the locks are 600(H)x 400(W)x 450mm(D).
2.	For item 15 (Materials for construction of kitchenette), dimensions 24" W x 14" D x 30" H are provided. Are they for a single cabinet? Should granite counter tops be included in the quotation?	Yes, the dimensions 24" W x 14" D x 30" H refer to a single kitchenette cabinet/unit . The granite counter tops are not required.
