Chapter 2 Subject-Matter and Scope of The Public Contract

1. TYPE OF CONTRACT

1.2. "This public contract is awarded as a framework agreement with several economic operators (maximum number of operators: 2) in accordance with Article 43 of The Law of 17 June 2016 on public procurement.

This public contract establishes the terms governing public contracts to be concluded during the validity period of the framework agreement."

is modified and shall be read as follows:

1.2." This public contract is awarded as a framework agreement with several economic operators (maximum number of operators: 2) in accordance with Article 43 of The Law of 17 June 2016 on public procurement.

Purchase orders will be allocated through a cascade (ranking) mechanism. Under this system, each purchase order will first be offered to the highest-ranked framework contractor. If that contractor is unable to perform the assignment, meet the required conditions, or declines the order, the Contracting Authority may allocate the purchase order to the next-ranked contractor.

This public contract establishes the terms governing public contracts to be concluded during the validity period of the framework agreement."

2. LOTS

"2.3. A tender for part of a lot is acceptable."

is modified and shall be read as follows:

"2.3. Tenderers may choose to submit an offer for one, two, or all lots. However, once a tenderer decides to participate in a specific lot, the tenderer must submit prices for all items included in that lot. Partial quotations for selected items within the same lot are not permitted, as the items are grouped together to form a single indivisible lot."

2.4. “The lots are:

Lot N°	Lot title	Lot description
1	Lot 1	Office Furniture
2	Lot 2	Air conditioning equipment
3	Lot 3	Printers

”

is modified and shall be read as follows:

“

Lot N°	Lot title	Lot description
1	Lot 1	Office Furniture
2	Lot 2	Air conditioning equipment **(supply and installation)**
3	Lot 3	Printers

”
