CLARIFICATIONS

Contract title: ***Public work contract for Construction of waste infrastructure in Nampula (2 lots)***
Reference: MOZ22002-10015

N°	Issue / question raised	Response
1.	O documento “Tender Specifications” não é suficientemente claro relativamente aos documentos que deverão ser submetidos nesta fase de Manifestação de Interesse. Assim, solicitamos clarificação sobre os elementos a apresentar.	Nesta fase de Manifestação de Interesse, deve ser apresentado um dossier de candidatura, identificando o lote ou os lotes pretendidos e incluindo: 1. Documentação legal: registo e estatutos da empresa, NUIT, etc. 2. Formulários preenchidos e assinados: identificação da empresa, identificação financeira, declaração de integridade e ESPD. Se concorrer como um consórcio, cada parceiro precisa enviar um formulário ESPD. Também deixe claro que sem o(s) ESPD(s), o pedido deles para participar será rejeitado. 3. Alvará válido: com a classe, categorias e subcategorias exigidas para os lotes pretendidos. 4. Capacidade financeira: comprovativos certificados do volume de negócios relativo a 2023, 2024 e 2025. 5. Experiência em obras similares: referências exigidas para cada lote, acompanhadas dos certificados de boa execução assinados pelos clientes. 6. Certificações da empresa: ISO 9001, ISO 14001 e ISO 45001, ou equivalentes. 7. Equipa técnica: lista dos profissionais propostos para cada lote, com as respetivas qualificações e experiência, acompanhada dos CVs assinados. 8. Equipamentos: declaração sob compromisso de honra e lista dos equipamentos mínimos, indicando como serão disponibilizados. O dossier deve ser apresentado em inglês, respeitando as condições de assinatura e

		entrega estabelecidas no documento do concurso. **A proposta técnica e financeira será solicitada apenas na fase seguinte, às empresas selecionadas**.
2.	Agradecemos que nos informem sobre o planeamento previsto para as fases subsequentes do processo, nomeadamente: Data prevista para o lançamento da fase de concurso; Data prevista para a submissão das propostas.	A fase de concurso será lançada após a conclusão da avaliação das Manifestações de Interesse e a constituição da lista curta. O calendário das fases subsequentes, incluindo a data de lançamento do concurso e a data-limite para submissão das propostas, será comunicado às empresas selecionadas através do convite à apresentação de propostas.
3.	We would like to know whether Enabel is planning to organise an information session for consulting firms interested in this tender.	The current stage is Phase 1 – Expression of Interest (EOI), intended to assess applicants' qualifications and establish a shortlist. Interested firms should prepare and submit a complete application containing all documents specified in the EOI notice. Shortlisted firms will be informed of the next stages of the procedure, including arrangements for a site visit and any information session during the subsequent tender phase.
4.	Additionally, could you please advise us on how to ensure that we are informed of any upcoming information sessions, clarifications or updates related to this tender? Is there a registration procedure or notification system that would allow us to receive such information?	All companies that have shown interest in participating in the tender will be notified on any additional information/ changes etc through the website. All bidders are requested to consult the Tenders section of our website (https://www.enabel.be/tenders/public-work-contract-for-construction-of-waste-infrastructure-in-nampula-2-lots/)before preparing their submissions, as all relevant information will be published there and on the BOSA platform through the link (https://www.publicprocurement.be/publication-workspaces/f1d63557-c84e-4b3a-ac11-6a826b065408/general) Once the evaluation of the Expressions of Interest is completed, shortlisted candidates will

		also be notified directly by email and invited to participate in the next phase of the procedure.
5.	Clause 8 of page 26/27 of tender documents, states that bidders should add the “Criminal record of the signatories of the bidding company or the signatories of the bid”. Please advise if bidders should add the litigation history of the company or a certificate proving that there is no bankruptcy or petitions for concordat against the company, instead of the criminal record of the representatives, once these documents are personnel and not directly related to the company itself.	Bidders can add both documents.
6.	1.Whether a Saudi-based contractor is eligible to participate. 2. Whether a locally registered Mozambican partner or consortium is mandatory. 3. The applicable company registration, licensing, classification and experience requirements. 4. Whether the opportunity remains open and where the official tender documents and clarifications can be obtained. 5. Any tender document, registration or participation fees, and other financial obligations.	Any economic operator, Belgian or foreign may submit a tender, provided that it meets the qualitative selection criteria set out in the tender specifications. The tenderer to enclose a valid certificate of registration in accordance with the Ministerial Diploma No. 77/2015 of May 22 which effectively approves the Licensing Regulation for Civil Engineering Contracting Activities. Refer to point 7 on page 13/27 of tender document. No fees, no financial obligation
7.	**CV format and submission:** Is there a mandatory CV template to be used for the proposed experts, or may tenderers submit CVs in their own format? Could you also confirm whether the CVs should be submitted as separate annexes to the technical proposal?	No specific format for CVs, no need to separate them from technical proposal
