Chapter 3 Award Procedure

Section (C) - Submission of Tenders

10. SUBMISSION OF TENDERS

"Without prejudice to any variants, the tenderer may only submit one tender per contract.

It must be submitted before the 20 November 2026 at 12:00pm (Central African Time, UTC+2) in hard copy and a USB stick.

In this case, the sealed envelope is put in a second closed envelope addressed to: Enabel Mozambique Av. Zimbabwe n.385, Maputo, Mozambique, mentioning the contract reference number MOZ22005-10073."

is modified and shall be read as follows:

"Without prejudice to any variants, the tenderer may only submit one tender per contract.

It must be submitted before the 20 November 2026 at 12:00pm (Central African Time, UTC+2) in hard copy and a USB stick.

Bidders are required to submit their proposals in two separate, sealed envelopes:

- **Envelope 1 – Technical Proposal**
- **Envelope 2 – Financial Proposal**

In this case, the sealed envelopes are put in a second closed envelope addressed to: Enabel Mozambique Av. Zimbabwe n.385, Maputo, Mozambique, mentioning the contract reference number MOZ22002-10073."

11. TENDER SIGNATURE

"11.1. The tenderer is not required to sign the tender, its annexes and the European Single Procurement Document (ESPD) individually when uploading them to the electronic platform.

These documents shall be signed globally by affixing an handwritten or electronic signature on the accompanying submission report.

11.2. Signatures are placed by the person(s) empowered or mandated to commit the tenderer. This obligation applies to each participant when the tender is submitted by a group of economic operators (consortium). These participants are jointly liable.

11.3. When the submission report is signed by a mandatary, he or she must clearly indicate whom he or she represents. The mandatary attaches the original electronic deed or private document that transfers these powers to him or her or a scanned copy of that proxy.

11.4. The contracting authority also reminds the tenderer that a scanned written signature is not considered a valid electronic signature.."

is modified and shall be read as follows:

"11.1. The tenderer is required to sign the tender and its annexes individually. These documents shall be signed globally by affixing a handwritten and normal electronic signature.

11.2. Signatures are placed by the person(s) empowered or mandated to commit the tenderer. This obligation applies to each participant when the tender is submitted by a group of economic operators (consortium). These participants are jointly liable.

11.3. When the submission report is signed by a mandatary, he or she must clearly indicate whom he or she represents. The mandatary attaches the original electronic deed or private document that transfers these powers to him or her or a scanned copy of that proxy."
